REMARKS

-the report as above includes complete results from these Continental Championships incl. addit. information such as date-of-birth (when available out of my database) and the records achieved as new Championships Records (= CR) and new National Indoor Records (= NR); due to inaccurate spelling of names for several athletes (entry-lists and results include only first names for some competitors), missing information about date-of-birth (esp. unknown to me for several of the IRI-athletes) and no names of Relay runners, such missing details could not be included to this Report -
-in addition series for Jumps / Throws are not included to the results section at the website -

-unfortunately athletes from only 21 (out of the 45) ASIAN AA Member Federations participated and there were rather thin fields and low standards results even for some medallists (esp. in several events for the Women) -

-the following athletes/teams (all in Men events) successfully defended their titles from the last Championships 2016:

- Hassan Taftian/IRI - at 60 m
- Abdelilah Hassan Haroun/QAT - 400 m
- Abdulaziz Al-Mandeel/KUW - at 60 m H
- Mutaz Aissa Barshim/QAT - at High Jump
- Qatar Team - at 4x400 m Relay
