following are detailed results from this International competition incl. several foreign athletes competing for QAT clubs; one of the younger foreigners (JABAR KHAMIS, born 4 Oct 2007) is a NGR-born sprinter (competed previously in Nigeria as PROMISE EGBE), and is now listed by WORLD ATHLETICS as an athlete for QATAR; with his time (6.52) he missed the World Junior Indoor Record at 60 m by 0.01 sec and his time would be a new Asian Junior Indoor Best / another runner with a “problematic citizenship” is the winner at 60 m hurdles, Kendry Fuentes (Menendez), who was listed before as a foreigner from CUBA (competing for Al Sadd Sports Club), but in the results lists at the website he is now listed as a QAT-athlete (in this case his time of 7.62 would be a new National Indoor Record) / I decided to report the nationality for all foreign runners in QAT clubs acc. to the information by the website (for several runners different to WORLD ATHLETICS etc., who report many of these runners as for QATAR)

INDIA

85th AIU University Champs at Moodbidri / 12. - 16.01.2026

(-courtesy of Mr Ram.Muralikrishnan -)

this competition was organised with a very huge number of participants (overall more than 4000 athletes from 312 Universities incl. 46 heats at Men's 100 m etc.) /

many athletes reported with inaccurate names are shown below with an “?” and numerous of the athletes are absolutely unknown from earlier competitions at all /

the official “Book of Results” (105 pages) is separately attached and includes complete results and a summary with “Best athletes” and “New Meet Records”

the best performance (one of the new Meet Records) was achieved in Women's Hammer Throw, where Tanya Chaudhary achieved 65.60, which is even better than the official NR; however, according to the correspondent above this performance will NOT be ratified as an official Indian Record
