## **Inter-School Athletics Competition / 20. - 29.11.2024**

**(- correction to Report No 23/2024)**

### Junior Boys Division:

200 m (26)/nwi: Wesley Leung Ching Hang/2007 20.88 / NJR & NYR was included to my last 2024 Report; however, this performance (which was even faster than the NR - = 20.92), isn't included to the official list of HKAA records (not as NR, not as NJR & not as NYR) for reasons not known to me / this time could be probably wind-aided or it wasn't confirmed as an official record for other reasons (i.e. no wind-measurement) ??
