6th ASIAN Athletics Youth Champs at Dammam / 15. - 18.04.2025

(-courtesy of Mr Cuddi Valson & to the Asian Athletics Federation - website-)

these Continental Championships for Youth/U18 athletes (born 2008 or 2009) were held with participants from 28 countries; competitors from 31 countries had been entered, but Boys/Girls from 3 countries couldn't compete and finally 17 ASIAN AA Member Federations didn't have any athletes at all

same as two years ago at the 5th Asian Youth Champs a strong team from CHINA topped the medal tally with 36 medals (19 Gold, 12 Silver & 5 Bronze) and by winning nearly 50 % of the 39 events overall (since Girls Pole Vault wasn't held due to 1 entry (!) only). Next best teams by medals were Uzbekistan, who claimed the 2nd position (with 3 Gold, 5 Silver and 4 Bronze) and Japan (competing with a smaller team only) as 3rd best team won 3 Gold, 3 Silver and 1 Bronze medal.

The complete Championships results and the Medal Tally are attached by a separate file

QATAR

2nd West Asian Athletics Club Champs at Doha / 07. - 10.04.2025 **(-courtesy of Mr Mohammed Abdulwahab -)**

these Regional Championships were held with athletes competing for 22 clubs from 11 West Asian countries / following are detailed results (at least for all medallists), which show names of athletes (partly unconfirmed or inaccurate transcriptions of names from results in ARAB figures) followed by their country-codes (??? for several athletes competing for Qatar clubs without knowledge about their nationality) and the names & the nationality of the clubs /
in several Women events athletes competing for the QAT-clubs achieved performances much better than the “best known” unconfirmed QAT Records for Women; however, several of these athletes aren’t in the WORLD ATHLETICS database before this competition and their identity/country couldn’t be confirmed (performances by such non-identified athletes are shown with an advice to their performances as “Would be NR”
