THAILAND

33rd SEA GAMES at Bangkok / 11. – 16.12.2025

(-courtesy of Mr Shuggumaran, ASIAN AA -)

the Athletics events at these Regional Multi-Sports Games were held with participants from 10 Member Federations (all except CAM) /

the Games Records (= GR) were improved in 11 events and several new National Records (NR; NJR, NYR) were achieved as noted below / the times from the Track events during the evening session of 2nd day (12 Dec) can't be valued (as records or for any kind of rankings) due to technical issues with the timing system – events shown as “?” /

the following information is restricted to the results for all medallists plus additional new records / the most outstanding performances were achieved by sprinter Puripol Boonson, who was one of three winners with three Gold medals each (he won 100 m, 200 m & with the 4x100 m Relay) / the other outstanding athletes with three Gold medals each were Distance runners (Kieran Tuntivate, THA & Nguyen Thi Oanh, VIE)

a file with complete official results & the Medal Tally is separately attached

-the official Final Medal Tally obviously includes few mistakes for three countries (INA, MAS and for MYA, who won two medals only in Walks, not a 3rd Silver medal in W/JT, where the medal has to be added for MAS) -
